## ANNOUNCEMENTS

---

20% discount on all website design/redesign – marketing/internet marketing to GALRC members/friends. Personal or Business

It's more important than ever for Google search results that websites are responsive (resize for smartphones and tablets) as over 50% of searches are now done on mobile devices. Very reasonably priced.

Please email me, Jean McLain, [jean@Business-Solutions-Center.com](mailto:jean@Business-Solutions-Center.com) and let me know how I can help.

Thanks,

*Jean*

## ANNOUNCEMENTS

---

The AKC announced that the 2017 National Agility, Rally, and Obedience Championships will be held in Perry, GA at the Ag Center next March 24-26. For details on the events, including qualifying dates and scores, go to [AKC.org/events](http://AKC.org/events). If you or a friend is interested in attending, word is out and hotels are already at or near capacity. These events draw the top competitors in their sports from around the country.

The GALRC is looking at ways to support the companion events including advertising in the National Championships catalog. The AKC also will put out a call for volunteers later this year, so please think about ways you can help. After participating in the 2015 Rally National Championship in St. Louis as a competitor, I know it takes many volunteers to host these events.

Respectfully submitted,

Linda Rehkopf

## DODDS 2016 VACCINATION PROTOCOL

### 2016 DODDS VACCINATION PROTOCOL FOR DOGS

#### Dodds 2016 vaccination protocol

The following vaccine protocol is offered for those dogs where minimal vaccinations are advisable or desirable. The schedule is one I recommend and should not be interpreted to mean that other protocols recommended by a veterinarian would be less satisfactory. It's a matter of professional judgment and choice.

9 - 10 weeks of age	Distemper + Parvovirus MLV e.g. Merck NobivacPUPPY DPV
14 – 15 weeks of age	Distemper + Parvovirus MLV
18 weeks of age Parvovirus only	MLVNote: New research states that last puppy parvovirus vaccine should be at 18 weeks old.
20 weeks (or older if allowable by law)	Rabies – give 3-4 weeks apart from other vaccines
1 year old	Distemper + Parvovirus MLV. This is an optional booster or titer. If the client intends not to booster after this optional booster or intends to retest titers in another three years this optional booster at puberty is wise.
1 year old	Rabies – give 3-4 weeks apart from other vaccines

Perform vaccine antibody titers for distemper and parvovirus every three years thereafter, or more often, if desired. Vaccinate for rabies virus according to the law, except where circumstances indicate that a written waiver needs to be obtained from the primary care veterinarian. In that case, a rabies antibody titer can also be performed to accompany the waiver request. Visit The Rabies Challenge Fund for more information.

## BRAGS

### GCH CH VAN DALEN CLASS NOT ARROGANCE

Classy finished her Grand Championship last July. She is our second Grand champion from our litter By GCH CH Caer Bren McLeod JH & van Dalen Sierra's Diamond Dust

Bred and owned by Laura van Dalen.

Handled by Janice Granda and Amy Wall

Forge Study This Book (CH Beechcroft's Study in Black x Mar-Moye Peach Schnapps) aka Booker, earned two qualifying scores towards his rally novice title at the recent Atlanta cluster trials. Booker is owned, trained, and handled by Linda Rehkopf.

Forge Page After Page-In Macland Manor DN (Pol. Ch. ELHID van Dalen's Gamemaster Ego x Forge Paging Doctor Brown) aka Page, won WB, BOS, and BOBOH at the Chattanooga Kennel Club Sept. 18. This was the first point for both Page and (truly amateur conformation) owner-handler Linda Rehkopf.

## Available

---

We have a few older retired females (spayed) that are no longer showing or being bred that we'd like to find retirement homes for (our couches are full). We have a girl in each color (Black, Yellow and Chocolate), two are GCH, and all range in age from 6-8. These girls are available for sale. All have clearances. Please have folks contact us for more details.

## YARD SALE

### Kennel Runs:

We have our older kennel runs (used) available. These are 4x12 runs (two panels and a gate) or 4x10 runs (2 panels and a gate). Some side panels are rusted while others are in pretty good shape - still being used by us through September of this year. We replaced all our kennel runs with Mason fencing this past Summer when we remodeled our barn/kennel. The older kennel runs are available "free of charge" to anyone who wants them. New owner must be the labor and transport. No delivery. Please no "one or two requests" - we'd prefer someone take most or all of it. Contact us for details.

### Stainless Buckets:

We also have 2Q and 6Q stainless buckets available for sale - \$5 for the 2Q and \$10 for the 6Q. Heavy gauge - not the thin cheap stuff that is on the market now.
